

# GET REAL™ DEPENDABILITY

In the gas compression business, you know dependability is key. For over 50 years, Fleetguard products have been industry renowned for meeting the challenges of even the toughest applications. We offer a broad range of products including oil, diesel fuel and air filtration, silencers, exhaust tubing, fluid sensors, controls, reservoirs, coolants, and more. To learn about what Fleetguard products can do for you, call your local Fleetguard distributor or visit us at [cumminsfiltration.com/oilgas](http://cumminsfiltration.com/oilgas) today.

**Get REAL. Get Fleetguard.**

**Filtration • Exhaust • Coolant • Fuel Additives for the REAL World.**
