

## The Broadest Product Coverage in the Industry!

Cummins Filtration is the one-stop shopping source for ALL your filter and exhaust system product needs. We provide over 12,000 products in our comprehensive line, offering a unique competitive advantage to take to your bottom line! As the leader in filtration and exhaust system product design, we offer advanced technologies that improve the performance of your vehicle and dramatically lower your business operating costs. Plus, all of our products are backed by the strongest warranty in the industry.

**And because you have asked for them, Cummins Filtration has recently released approximately 100 more NEW part numbers, including fuel, lube, hydraulic, air and exhaust products.**

Our 6,000 filtration products, 5,000 exhaust products and 1,000 custom maintenance kits add up to a one-stop

shopping advantage for your business. Remember, no other filter and exhaust system manufacturer offers this-kind of comprehensive product coverage!

### **Our Comprehensive Filtration and Exhaust Line Includes:**

- Air Intake and Filtration Systems
- Coolant, Fuel, Hydraulic and Lube Filtration Systems
- Coolant and SCA Conditioning Systems
- Air Handling and Exhaust Aftertreatment Systems
- Closed Crankcase Ventilation Systems
- Centrifugal Filtration Systems for 18 liter+, 450 hp+ and 335 W+
- Over 1,000 Custom-Designed Filtration/SCA Maintenance Kits
